Invite you to attend an informational workshop on federal funding

Join staff from Congressman Inslee's and Senator Cantwell's offices for a presentation on federal grants and the appropriation process.

Topics covered in the presentation will include:

- An overview of the difference between grants and appropriations
- Resources to help find the right funding source for your project
- Tips on submitting a successful grant application
- Ways that your Congressional Delegation can help

In addition, representatives from the Washington State Department of Commerce and the Nonprofit Philanthropy Resource Center will provide information on identifying state and private funding.
